Celebrating 70 Years of Catholic Education!

Message from the Principal Mrs. Monica Davis

Dear friends and benefactors,

Yes, we are celebrating 70 Years! St. Frances Cabrini School's proud tradition continues because of amazing donors like you. By giving to the Annual Giving Campaign, you will celebrate our past and create our future to keep our school growing strong, guided by Mother Cabrini and the ultimate role model, Jesus Christ!

Our school's success is because of amazing donors like you. Thanks to our generous donors, in addition to providing tuition assistance, this past year we were able to install a new digital intercom system, improve our security with an 8-foot slatted fence at the back of the school, license our Pre-Kindergarten, remodel our kitchen, and replace worn carpeting. I ask that you please be generous to keep our school growing strong!

In the peace of Christ,
Monica Davis

Message from Stephanie Van Leuven, SFC Principal, 1989-2012

We all know Cabrini Catholic School is founded for the purpose of teaching our children to know, love, and serve God, and to care for each other. Evidence of our 70 years of success is reflected in the thousands of children who have gone on from Cabrini to choose service professions – as teachers, social workers, doctors, nurses, military, and others with the intent of giving back to the community.

The giving hearts of our former students are also reflected when the school receives their donations (big and small) to the Annual Giving Campaign to support the current Cabrini students. These donations are so special, and the Annual Report always gives them special recognition.

Then there's the Class of '60 and the Class of '64, who still hold grade school reunions, and other classes who hold periodic get-togethers. After all these 70 years, it is so evident that the Spirit of SFC lives on in all of you.

Throughout these years since I retired, I've run into quite a few former Cabrini students, at Church and even in other cities, who come up to me and ask, "Remember me?" And then I get to listen to what the person is doing now, etc., etc. It has been wonderful! So uplifting and affirming to talk to our adult grads. And I have always come away from these blest encounters with the wonderful awareness of how the person got the SFC message and in their own way, are truly "Disciples of Christ" today!

Celebrating 70 Years of Catholic Education!

Dear Friend of St. Frances Cabrini School, every day we are blessed to see the smiling faces of over 190 students that attend our school. Our school would not operate without your support, and we would not be celebrating 70 Years of Catholic Education!

As our school has grown, so have our needs for financial assistance, staffing, and maintenance of our facilities. The Annual Giving Campaign helps us keep tuition affordable while still meeting the needs of the school. In addition, these gifts are unrestricted, meaning that we can use them to meet our most pressing needs.

Every gift counts toward our goal of 100% participation. The gift of education is forever. Your gift is a commitment to your faith in Catholic schools. The time is now to be "Growing Together in Faith" as we provide engaging educational opportunities and a foundation in faith for our students.

May God bless you for all that you have done—and all that you will do—to make dreams turn into realities.

Greetings from Fr. Paul

Dear Benefactors of St. Frances Cabrini School,

As we begin the 2023-24 school year, we are full of hope and love in Jesus Christ. Our Lord is leading us to love and serve one another generously at St. Frances Cabrini School. The diversity of our students is a big part of why our school is a grace-filled experience for our students. Some of our children come from families struggling financially and needing Tuition Assistance. We are working to increase the pay of our teachers so that we can attract new teachers and retain our excellent teachers. Our motto at St. Frances Cabrini Parish is "We are United in Christ to Love and Serve." Your generous support of our Annual Giving Campaign will provide tuition assistance and support teacher salaries. We do our best to provide tuition assistance to as many students as possible. Every student receives financial support, as tuition does not cover the cost of education. I invite you to participate in the Annual Giving Campaign to support our students and teachers. Your support of our Annual Giving Campaign makes a difference for each student and each teacher. I encourage you to give generously in gratitude for the blessings that God has given you.

May God richly bless you for your support of St. Frances Cabrini School

Your servant in Christ,

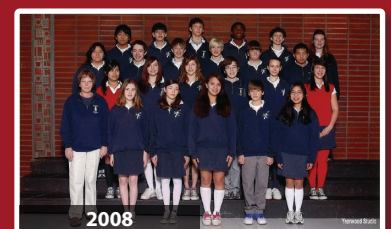

Fr. Paul Brunet

Pastor, St. Frances Cabrini Parish
